

PROSPECTUS

TRANSFORMING EDUCATION

About us

We'll continuously ensure that students enjoy school in a happy, safe and secure environment designed to fulfill their potential. Consequently, we'll pride ourselves on our reputation as a respectful, caring and dynamic school that places student welfare and progress at the heart of all that we'll do.

At ISE we are passionate about learning in every sense and match our clear focus on academic excellence with a strong commitment to personal, social and emotional development. All our students considered to be an individuals of whom we have the highest expectations. This aspiration underpins our culture of hard work and personal support making success both expected and natural.

The vibrant and energetic student community will encouraged to be tolerant and respectful of others and to become responsible citizens of the wider community. Our students will develop confidence and deep love of learning, accessing a huge range of academic, social, sporting and cultural opportunities.

Mission

To offers its students a pristine environment for learning and development in all spheres of life. The School strives for the holistic development of the students, intellectually, emotionally, morally and physically.

Vision

Our aims to produce disciplined and well groomed students, educated in mind, body and spirit to be adequately empowered to take their rightful place in society as responsible and committed citizens.

School Building

The stately school building has spacious, well lit airy classrooms wherein the students have ample space for activity based learning. Each classroom is equipped with a smart board which is conducive to the learning needs of our pupils who are digital natives. The covered shed area with its colourful murals acts as a play area for the lower primary classes. It also serves as project display area. Besides this the Activity Room is the centre of culture as dance and music classes are conducted here as also all rehearsals for the concerts.

TRAFFIC PARK

The newly designed traffic park is aimed at children learning through purposeful play. It enables the kindergarteners to learn the traffic rules in a safe and friendly environment. It not only improves awareness of traffic safety.

PLAY AREA

Encouraging physical activity, the school has sand and water play for INDOOR/OUTDOOR games areas that provide a safe and secure environment for fun filled activities for kindergarten/senior.

ACADEMICS

High-teaching Aids

Digital Classes in every teaching space

High speed Broadband internet Access

Independent learning workstation throughout the school.

SCIENCE LAB

COMPUTER LAB

SMART CLASS

RESOURCE CENTRE

The Science Resource Centre, Math Resource Centre and Life Skills Centre are spacious and well equipped with promethean boards where students are encouraged to use their analytical skills.

RESEARCH CENTRE

The Centre provides opportunities to actively develop investigation skills that enable students to research, collate, apply, analyze and synthesize information. It increases engagement and fosters deep understanding through the development of research based learning.

ACTIVITY ROOM

The concept of the activity room is about and learning; through play, in a totally different environment. All Games are conducted as a part of the planned educational programmer.

LIBRARY

Reading is an enjoyable experience and the students have a e-library of their own to browse through and read books of their choice the library is well stocked with a vast variety of books covering a variety of subjects. Our airconditioned library offers over 21,000 books along with journals / magazines and periodicals providing an ambience that instills love for reading in children.

DANCE AND ART ROOM

Music and art is an integral part of the curriculum. We have well-equipped music and art rooms where students are encouraged to discover and develop their talents

CULTURE ROOM

Dance communicates ideas through movement and expression and is a creative art form. Keeping this in mind it has been included in the curriculum. The students learn different skills like rhythm, flexibility, coordination and expression. They participate in composing, moving and appreciating a range of dance styles.

SPORTS

1,40,000sqft open area is one of the greatest learning and play experiences for each pupil. Students participate in various events-yoga, karate, drill display and athletics. Participation in the annual sports is compulsory for all the students.

- Outdoor sports
- Indoor sports

Admission and Registration

1. Normally admission is given only in nursery. Those seeking admission in Nursery should be within the age of three on 1st April in the year in which admission is sought. Admission to other classes depends on vacancies. Information will be available in the school office.
2. Entrance examination will be conducted and admission will be given on the basis of merit.
3. The School does not charge capitation fee. No donation is accepted for admission to any classes. Recommendation will not be entertained.
4. For the admission the candidate should produce the original T.C. from the school last attended, duly countersigned by the appropriate authorities; D.E.O. or Regional Officers of C.B.S.E.
5. Repeated absence, or absence for more than ten consecutive days without leave application, renders a student liable to have her/his name struck off from the rolls. Readmission, if granted, will be done on payment of readmission fee.
6. A student can be asked to discontinue the studies due to weakness in studies, habitual idleness, behavioural problems, non compliance with school rules, failures in examination etc.
7. If a student wanted to leave the school, application for the T.C. should be submitted 5 days in advance and T.C. will be issued only after clearing all the dues of the school. T.C. WILL NOT BE ISSUED DURING HOLIDAYS.
8. The students who fail to remit the school dues on time will not be allowed to continue in the school.
9. Admission fee is levied only at the time of new admission to any class and to class 1 from the K.G. section and class XI from class X.
10. Parents and their wards seeking or obtaining admission to this school are presumed to have agreed to abide by the rules and regulations and standards of this institution.

Admission and Withdrawal

1. Merit will be the sole criterion for admission and admission forms will be available to those students only, who have the minimum required grade set by the school authorities in the respective streams, and mere procuring of admission forms will not be guarantee for admission.
2. Any failure to take admission within the stipulated time will be considered as cancellation of admission.
3. Any withdrawal after taking the admission will be governed by the rules regarding admissions and withdrawal.
4. Admission fee is non-refundable.

Examination and Promotion

1. No students shall be absent during the evaluation and assessment and under no circumstances the evaluations and assessment will be conducted on a different date or out of turn.
2. Those absent from an evaluation and assessment will be regarded absent and that will affect their grading, consequently their promotion too.
3. Unsatisfactory progress in studies, insufficient attendance, misbehavior, malpractices during the evaluation and assessment may keep a student debarred from the examination followed by disciplinary action. 75% attendance is mandatory.
4. A minimum of 33% of marks or grade not less than D in all subjects is required to be eligible for promotion.
5. Achievement Record will be shown to the parents after the evaluations and assessment to assess the performance of their work.
6. The results of the Summative Assessment will be declared only after the students have cleared all dues of the school.
7. Promotion is granted on the basis of the grades obtained in both the summative assessments as well as unit tests. The result declared at the end of the year is final. The minimum passing grade is considered for promotion is D. This applies to all the classes. The compartment examination will be conducted only after the SA II for the students who fail to get the required grading the promotion as per the board guidelines.
8. A student who fails twice in the same class, or fails in the compartment examination or get compartment will not be permitted to continue studies in the school.
9. Students should obtain the hall ticket after clearing the dues that are due to school before giving the SA-I and SA-II.
10. Examination: Any student found resorting to unfair means and receiving and giving assistance in any form during Tests/Examinations will be given Zero in the subject and a warning letter. Repetition of the same may result in dismissal from the school.
